No school visits are scheduled.

DISPLAY TABLE

For the July meeting, please display any items of general interest, especially: workshop projects, material from locations of recent or upcoming field trips, and the birthstone of the month - Ruby.

WORKSHOP:

Pasadena Lapidary Society Workshop is held on the first Sunday of each month at Drew's.
Address: 252 Bella Vista Avenue, Pasadena CA 91107-3341

Workshop this month will be on the 5th of July. Our Demonstrator this month Todd Neikirk is unable to make workshop on time to teach his Silver Smithing class. So bring any projects that you have and spend a great afternoon with friends and fellow Rockhounds that have a lot of knowledge.

Thanks

Drew Wilson / Workshop Chairmen

Lapidary Equipment Demonstration & Rockhound Rendezvous

When: 9:00am Saturday, July 18, 2009

Rockhounds are invited to attend the Ventura Gem and Mineral Society's Rockhound Rendezvous event at the "New" VGMS facilities, at Camp Comfort near Ojai. Don Depue will be demonstrating some of Diamond Pacific's excellent equipment. You will be able to have a hands-on examination of equipment you might be considering purchasing for yourself or your club. Bring your check book if you are considering a purchase.

Following are the machines he will be demonstrating:

- Titan (1)
- Genie (3)
- Flat Laps for Titan or Genie w/polishing pads
- Wizard 6" Trim saw
- 12" Flat Lap
- Gryphon Band Saw
- Torres 3, Ring Saw
- Foredom
- Multiplex (cabbing, trim saw, carving, flat lap)
- Tumblers (to show only)

In addition, the VGMS will offer a chance to share some of your great field trip finds and lapidary work. There will be plenty space for you to set up a table to display your wares for viewing and trading. Who knows, someone may want to buy something you display.

Jim Brace Thompson is considering offering some activities for the Pebble pups. If you are interested in bringing your kids, let us know (ages, how many, and activities they are interested in) by the end of June. Possible activities
